We have had numerous inquiries from parents regarding our counselor tipping policy. Camp Woodland takes great pride in selecting warm and caring counselors as part of our camp family. We strongly believe that our counselors are the ones responsible for creating wonderful, everlasting summer memories for your children.

If you feel that your child's summer has been greatly enhanced by the efforts of their counselor, than please feel free to tip them accordingly. If you would like more information about this policy, please speak with one of our Camp Directors.
